Financing solutions for your energy efficiency projects

The **GoGreen Home Energy Financing** program helps California homeowners and renters access attractive financing for energy efficiency projects. GoGreen Home is a state-administered program available to California residents who own or rent and receive electric and/or natural gas service from any of the following investor-owned utilities: Pacific Gas and Electric Company (PG&E®) / San Diego Gas & Electric Company (SDG&E®) / Southern California Edison (SCE®) / SoCalGas®.

Explore loan options, find a contractor and more for your residential energy efficiency upgrade today.

GoGreenFinancing.com

Pacific Gas and Electric Company (PG&E®), San Diego Gas & Electric Company (SDG&E®), Southern California Edison Company (SCE®) and Southern California Gas Company (SoCalGas®) are not making an offer to lend and have no role in reviewing or approving your financing application. If you and a lender enter into a financing arrangement for energy improvements, that arrangement will be entirely between you and the lender, and PG&E, SDG&E, SCE and SoCalGas shall not be liable for the lender's acts or omissions.
